GOVERNMENT OF MYSORE, STORES PURCHASE COMMITTEE, BANGALORE.

Notice No. S. P. C. 19662-76, *dated 17th June* 1931.

To

The firms dealing in bicycles.

Gentlemen,

Bicycles.

Sealed tenders will be received by the undersigned up to the 6th July 1931, in accordance with the conditions of contract specified below for the supply of bicycles required by the Mysore Government Offices during the year commencing from 1st August 1931 and ending with 31st July 1932.

Intending tenderers will please note that:—

(1) The quotations should hold good for one year from the date the contract is let.

(2) The Stores Purchase Committee do not bind themselves to purchase any particular make of machines exclusively or any definite number thereof during the contract period.

(3) The prices to be quoted should be for free delivery in the Government offices in Bangalore. The actual railway freight from Bangalore to any other destination to which the machines may be required to be consigned will be paid as extra.

(4) The tender should specify whether the machines quoted for are standard makes conforming to British Standard specifications and a certificate of such guarantee should be furnished with every machine supplied.

(5) Tenderers should state if they hold ready stocks of spare parts of such machines.

(6) The quotations should be for machines complete with makers' original fittings and fitted also with the following extra parts:—

Dunlop tyres and tubes,	Lucas lamp,
Brooks 90/2 or Terry's saddle,	Lucas pump.
Lucas bell,	Tool bag and tools complete.

(7) Full specifications of the machines and complete details of the accessories and tools offered should be furnished in the quotation.

Notice No. S. P. C. 19059-78, *dated 5th June* 1931.

To

The dealers in Typewriters.

Gentlemen,

Typewriters.

Sealed tenders will be received by the undersigned up to the 30th June 1931, in accordance with the conditions of contract specified below for the supply of typewriters (both stationery and portable models) required by the Mysore Government offices during the year commencing from 19th August 1931 and ending with the 18th August 1932.

Intending tenderers will please note that:—

(1) The quotations should hold good for one year from the date the contract is let;

(2) the Store Purchase Committee do not bind themselves to purchase any particular make or makes of machines exclusively or any definite number of machines during the year;

(3) the prices to be quoted should be for supply of the original make of machines and not factory rebuilt ones. A guarantee to that effect should be furnished in each case;

(4) the prices to be quoted should be for free delivery on rails Bangalore and Mysore;

(5) the tenderers should specify whether ready stocks of spare parts of the machines supplied are held by the tendering firms and whether they have any service agency in the Mysore State;

(6) the quotations should include the cost of backward, cover, and the usual accessories to be supplied with each machine which should be specified in detail by the tendering firm.

No. S. P. C. 19904-23, dated 23rd June 1931.

No. S. P. C. 19924-33, dated 23rd June 1931.

To

The Firms dealing in Structural Materials.

Gentlemen,

Materials required for construction of a pattern shop in the Central Workshops of the Mysore Railways.

Please intimate your best prices and earliest time of delivery for the materials described below :—

1. Six—Mild Steel Trusses for 40 feet span clear, with shoe plates, anchor bolts, nuts, washers, etc., complete, suitable to carry Mangalore tiled roof on teakwood ridge, purlin and rafter. The scantlings of principal members to be as noted on plan Drawing No. 43—1930-31 XEN. Any other dimensions of equal strength which do not impair the strength of the Truss member, will be acceptable.

   The steel should be of such strength and quality to withstand a safe tension and compression tress of 7½ tons per square inch. All rivets are to be of steel. Member should be free from scale, blisters, laminations, cracked edges and defects of any sort.

   Tendering firms should submit with their tenders the names and makers from whom they propose to obtain steel.

   The quality of steel to be employed should be "open hearth acid."

2. Four—R. S. Beams 9" x 4" x 21 lbs. x 10' long.

Please note that the steel materials required under item 1 above should be of open hearth acid quality and the name of the makers of the steel used should also be intimated.

Please note also that as the materials are required urgently you will be required to effect complete delivery of the materials before 31st August 1931.

The prices to be quoted should be for delivery f.o.r. Mysore and should be based on Railway Material Concession rates which will be applicable for these materials. The quotations should reach the undersigned on or before the 15th July 1931.

Yours faithfully,

M. S. RAMCHENDRA RAO,
Secretary, Stores Purchase Committee.
